

PYRAMID

pop-up art

You will need:

- a small drawing or magazine cut-out of one of your favourite things
- thin cardboard (cereal packet is fine)
- glue stick
- scissors

Cut out your drawing / picture, and a small strip of cardboard.

Glue the cardboard onto the back of your drawing so that the bottom of it is sticking from the bottom – how much depends on how large your drawing is.

Bend the bottom bit of the cardboard strip back so your drawing stands up.

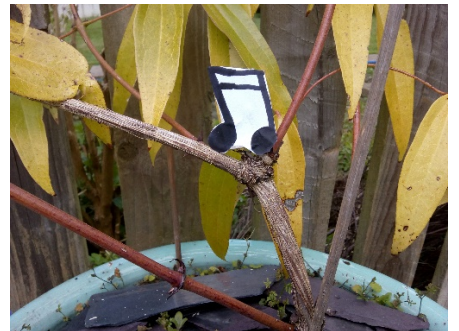

You could do more than one.

Take your drawing on a walk around your house or garden – or to the park if you can get there.

Take photos of its journey if you can.

Finished? If you can, take a photo and email it to info@pyramid.org.uk.

We will add it to our Pyramid Post online gallery.
