Open Show 2021 – call-out video transcript

This is an artist call out for the Pyramid Open Show 2021.

We invite artists working in any discipline, anywhere in the world, to submit work for an online exhibition opening on 26th February 2021.

We're asking artists to respond to a sensory call out, comprised of the colour orange, the word 'ouch!' and the sound of pink noise.

Please visit pyramid.org.uk/ouch-submissions to play the sensory call out.

There's no fee to submit work and we're open to any medium that you can share with us by emailing a file, photograph or video of the work, or sending a link to a website or downloadable file.

We will contact the successful artists to discuss how your work will be installed in the online gallery.

To submit: please send a file, photograph, video, or link to your work to submissions@pyramid.org.uk and include the following information:

- Your name and contact details, including your location (city and country)
- The title, year, materials and dimensions of the work, and how the work is installed

You can also use this email address to contact us with any queries you have.

This opportunity is suitable for artists at any stage of their careers.

A cash prize of £200 will be awarded to each of the six selected artists.

The deadline to make a submission is: 6pm (GMT) on Friday 6th November 2020.

A panel of curators will make the final decision.

Artists can submit a single work or a series - although not all works in a series may be selected.

The curators will discuss this with the successful artists.

Artists will be notified of the outcome of their submission (successful or otherwise) via email by Friday 18th December 2020.

We look forward to hearing from you.

Thank you.
