Developing YOU

Volunteer Role Description

Developing You is a 12-week course to support people with a learning disability who are interested in finding out more about the world of work. There are 10-12 participants in the group.

As well as thinking about employment, the course looks at ways to maintain and improve personal health and wellbeing, and digital inclusion. The role of the volunteer is to support the course tutors in ensuring that all project participants are engaged and able to get the most out of their time on the course.
