

policies and procedures

Our 'policies and procedures' are the rules about how we do things at Pyramid.

Following our policies and procedures helps to keep everybody safe.

The policies and procedures also tell us what to do if something goes wrong.

It is important that everybody at Pyramid can access and understand our policies and procedures.

The office team can help with this.

Please contact us if you would like support to read or understand this policy.

We can meet with you to talk about it. Or we can provide information in different format / language to suit your needs.

Pyramid Equality, Diversity and Inclusion

policies and procedures

Equality and Diversity is very important at Pyramid

- making sure everyone has equal access to the things we do
- understanding that everybody is different
- always respecting each other
- not discriminating against people

Discrimination means treating somebody differently for reasons such as:

- age • ethnicity • gender • faith • sexuality • immigration status • disability

Everyone at Pyramid has different

- knowledge
- skills
- backgrounds

We **value diversity** – everyone is different and we can all learn from each other

Involvement

We encourage everyone at Pyramid to get involved in decision-making.

For example:

- choosing what projects to do
- participating in Visioning Days and the AGM
- being a trustee

We will offer support and training to make sure everybody can contribute in the ways that they want to.

We will make our communication is accessible e.g. by producing easy-read documents and using symbols.

We will advertise in a wide variety of locations to make sure people from different communities hear about Pyramid of Arts and have the opportunity to join in.

Conduct

Everyone at Pyramid must be fair and respect others.

Discrimination, harassment or bullying is not allowed.

We have a Disciplinary Procedure and a Complaints Procedure, which we will follow if someone breaks the rules.

Physical access

We make sure that our offices and venues are accessible and have appropriate facilities for people with physical disabilities.

Monitoring and review

We collect Equal Opportunities information about our members, volunteers, workers and staff to make sure we are being fair to everyone.

We use the information to see if there are any groups of people that are under-represented at Pyramid.
